Laurel Mountain
Air Bath Options

With a simple search on Lowes.com using the model numbers listed below (Example- LM110), you can order these options to be factory installed on your Laurel Mountain air bath.

Air Bath Trim

Metallic finish trim kits are available to replace color matched trim that is standard on the tub. The 16 metallic finish air injector trim rings are factory installed and are not sold separately.

LM110 – Chrome
LM111 – Brushed Nickel
LM112 – Bronze
LM113 – Polished Brass

Deeper Soak Drain & Overflows

An additional 1 ¾" of soaking depth is available with this premium cable operated drain and overflow. The decorative overflow trim is turned to open & close the drain. Heavy duty PVC piping is supplied to complete the installation.

LM200 – Chrome
LM201 – Brushed Nickel
LM202 – Bronze
LM203 – Polished Brass
LM210 – White
LM211 – Biscuit
LM212 – Almond
LM213 – Linen
LM214 – Bone

Air Bath Water Heaters

Two electric heaters are available, factory installed, a 1500 watt/120 volt and 4000 watt/240 volt. The heaters maintain the water temperature between 101 and 104 degrees F. The operation of the heaters are with an on/off switch and include a 20 minute timer. A low flow/high efficiency pump provides a silent operation. This is a stand-alone heater and will require a second pump/heater location for installation.

LM305 – 120V Heater
LM306 – 240V Heater

Chromotherapy “Mood Lights”

The LED lighting system will provide the therapeutic effects of chromatherapy. The system is programmed with ten lighting modes that will sequence automatically or you may choose to stop on a desired mode. The mode sequence is: Magenta, Blue, Red, White, Sunburst, Green, Tidal Wave, Afterburn Fade, Color Burst and Slow Dance. The therapy by general color category is: blue for calming and conversation, green to assist in relieving stress or trauma, violet to help in mediation and intuition, yellow for intellectual stimulation, and red as an energizing color meant to stimulate or excite. Still not sure? Check the youtube link on www.laurelmountainwhirlpools.com to see the mood light at work.

LM522 – Chromotherapy “Mood Light”

Aromatherapy

This option uses your favorite pure essential oils and their fragrances to treat your mind and body. A few drops added to a felt pad in the aromatherapy canister provides the scent to relax and achieve your desired mood. Place the cap on the canister and operate your air massage system. The scent is drawn into the air system and blown through the air injectors.

LM522 – Aromatherapy

Bariatric / Heavy Duty

The concern of a heavy bather or multiple bathers cracking a tub can be eliminated with this option. The tub will have 50-70 pounds of additional fiberglass and resin reinforcement. The tub will also have an additional ¾” plywood reinforcement under the ¾” OSB.

LM537 – Bariatric

Roman Tub Faucets

The faucets have solid brass waterways, ceramic disc cartridges and include spout, handles and 12” stainless steel rough hook up.

LM600 – Chrome LM601 – Brushed Nickel LM602 – Bronze

Hand Shower

Easy to use hand shower comes with a full spray showerhead, 60” stainless steel braided hose, diverter and solid brass waterway.

LM605 – Chrome LM606 – Brushed Nickel LM607 – Bronze
