Electronic 18w Self-Ballasted (GU-24 Base)

Electronic 26w Self-Ballasted (GU-24 Base)

Basic Model Number with the most common Lamping options as reflected in Price List

C Product Number	**ES**	=	**Energy Star**
	EN	=	**Electronic**
	MN	=	**Magnetic**

Custom model numbers used to create purpose built fixtures using Lamping Matrix reflected on Page's 134 thru 154 and Custom Fixture Chart on Pg 156

Certifications

UL / CUL / CETL

Certified UL, CUL or CETL. All fixtures are certified by these accredited testing laboratories for wet, damp or dry locations as noted.

Energy Star / Title 24

Fixtures in this catalogue conform to Title 24 and Energy Star unless otherwise stated.

ADA Compliant

Fixtures with ADA comply with the Americans with Disabilities Act. (Extends 4" or less.)

GU-24 Removable Ballast System

Simple easy removable, just twist on and off
Title 24 and Energy Star compliant
Available in separate Ballast and Lamp combinations, or
Self Ballasted lamps in a variety of popular wattages
Including T6 and T9 Circlines

Custom Built Fixtures

Quoatable custom finish options are available for most fixtures. Custom Fluorescent fixtures are purpose built and therefore are non - returnable. In order to simplify the ordering process, the following product identification code is utilized.

The fixture that the code below represents will be 20624 in the BS finish with Opal glass and equipped with a Electronic Normal Power Factor Ballast for 120v supply. Supplied with one socket to accept a 13 watt Quad Lamp
