Avren 23 inch 3-Light Traditional Vanity Light with EasyAlign™ Mounting Bracket

The Avren Three-Light Vanity Light with EasyAlign Adjustable Mounting Bracket makes installation easy when the electrical box is not ideally placed over the faucet, allowing flexible centering in 1/4-inch increments. In addition to this feature, the Avren vanity light is designed with a full backplate that gracefully conceals any wall imperfections. With its clear glass shades and a warm Champagne Bronze™ finish, this fixture effortlessly blends classic elegance with contemporary design.
