OPERATION INSTRUCTIONS

On/Off: Press and release button

The LUXPRO Smart button indicates the charge level, allows mode selection, and offers simple on/off functionality.

Cycle Modes: Turn on and press button within 3 seconds to select High, Medium, or Ultralow modes. After 3 seconds, the next press will be off.

CHARGING INSTRUCTIONS

Charging Instructions: Turn on and press button within 3 seconds to select High, Medium, or Ultralow modes. After 3 seconds, the next press will be off.

Battery Indicator: Blue indicates the battery is at least 20% charged and Red indicates less then 20% charge and that charging is required. While charging, the light will be Red and turns Blue when fully charged.

The XP702 has a charge time of approximately 3 hours.

PRODUCT WARRANTY

The XP702 has a Limited Lifetime Warranty Against Manufacturer's Defects from time of purchase.
