

For jobs that require intense pressure and durability, this Kobalt 30-Gallon, vertical compressor will pull through with power to spare. Power is driven by a 2-HP motor. A solid single-stage cast iron pump delivers up to 155 PSI to drive multiple nailers and air tools, and provides 5,000* hours of pump life. Large pneumatic wheels make for easy portability. Ideal for garage and workshop applications with a space-saving Footprint. Durable and powerful, this compressor will help with all of your jobsite needs.

Cast Iron, Oil Lubricated Pump

Kobalt, the cast iron advantage. Up to 5,000* hours life with reliability and durability to know you will have the power to finish your garage and workshop projects.

*Based on B-10 bearing calculation life

Powerful

120-volt, 2-HP heavy-duty induction motor creates maximum pressure to operate a wider range of tools and maintain longer run times.

30 Gallon Tank

Vertical ASME tank design maximizes your floor space and provides ample compressed air storage

Versatility

Kobalt Air compressor is great for spray painting, automotive repairs and maintenance, nailing/stapling projects and inflation

3 Year Warranty

Specifications

Model	VT6389
Size	30 Gallon
Max PSI	155
Free Air CFM	5.5 @ 90 PSI 6.5 @ 40 PSI
Voltage	120/240 Volt
Pump	Oil-Lubricated
Running Horsepower	2
Amps	15/7.5
UPC	0-45564-635589
