ALWAYS STAY EFFICIENT.

Efficiency can mean a lot nowadays, and this dryer knows it. Its ultra large capacity will handle extra-large loads, so you finish your laundry faster. The Intelligent Electronic Controls with Dual LED Display make it easier to get the settings right, so you can just “set it and go.” Plus, the Sensor Dry System will detect the level of moisture in the fabric and automatically adjust drying time and temperature. If you appreciate efficiency, so does this dryer.
