KEY FEATURES

MEGA 4.9 cu.ft. Capacity

Looking for a washer that fits more laundry in fewer loads and still fits your space? LG's got you covered. With 4.9 cu. ft. capacity, LG's mega capacity top load washer is right at home in the space of a regular washer. So you can fit more, wash less and get back to more important things.

TurboWash® Technology

Give big loads the same great clean while cutting your wash time by 20 minutes with LG's enhanced TurboWash® technology.

Direct Drive Motor with 10 Year Limited Warranty

When you buy a washer, you want something reliable that you can count on. Because the Direct Drive Motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty. fabrics, giving you cold water savings with warm water performance.
