

# WT1501CW

4.5 cu.ft. Large Capacity High Efficiency Front Control Top Load Washer

## SAVING TIME IS ALWAYS IN STYLE.

Get in, get out—get it done. At last there's a washer that understands your need for speed. You set the pace, with fast access to your favorite settings using the convenient front control design, and a SlamProof™ glass lid that keeps the peace no matter how quickly you're moving. Can anything slow you down? Only when you pause to admire how the sleek and stylish design looks in your space.

- NFC Tag On Technology
- SmartDiagnosis™
- SlamProof™ Lid
- TrueBalance™ Anti-Vibration System
- LoDecibel™ Quiet Operation
- SenseClean™
- Delay Wash (Up to 19 Hours)
- ENERGY STAR® Qualified

### KEY FEATURES

#### Ultra Large 4.5 cu.ft. Capacity

Towers of towels, piles of sweatshirts, and a mountain of jeans? Go for it. The ultra large capacity (4.5 cu.ft.) tub lets you do more laundry in fewer loads. That's time saved and sore backs avoided.

#### Front Control Design

LG puts a modern spin on the traditional top load design. By moving the control panel from the back to the front, the buttons and LED display are easier to read and use. This simple change makes for a more intuitive and functional design and a look that is unlike anything you've ever seen.

#### Direct Drive Motor with 10 Year Limited Warranty

When you buy a washer, you want something reliable that you can count on. Because the Direct Drive Motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.
