Great Space in Style

Get the space you need in a refrigerator that's right for your kitchen. With **20 cu. ft.** of space, this top mount refrigerator offers a large capacity in its category at 30" wide.

Fresher is Better

Electronic Temperature Controls designed to maintain humidity and temperature levels to help keep your food fresher, longer. Digital sensors constantly monitor conditions within the refrigerator to keep things cool.

Premium LED Light

Bright LED panels on the rear of the refrigerator give you excellent light every time you look in the frige. And they're not just convenient – they also save energy over traditional lighting.
