

LBC24360

Large Capacity Swing Door Bottom Freezer Refrigerator

BETTER FREEZER PLACEMENT. BETTER FRIDGE.

Bending down to access your food is now a thing of the past. With a generous 24 cu.ft. of capacity, this LG Bottom Freezer is designed to provide easy access to refrigerator compartment food in your line of sight. The swing door freezer is well designed with maximum space efficiency and easy roll-out drawers. Featuring spacious full width door shelves, adjustable drawers plus a mini bin, this refrigerator frees up interior shelf space and make room for all your storage needs. That's smart design and smart technology, from one great refrigerator.

- Electronic Temperature Controls

KEY FEATURES

24 cu.ft. Largest Capacity

Get the space you need in a refrigerator that's right for your kitchen. With 24 cu. ft. of space, this largest capacity bottom mount refrigerator offers ample room to meet your storage needs.

Multi-Air Flow Freshness System

Multi-Air Flow Freshness System is designed to maintain superior humidity and temperature levels to help keep your food fresher, longer. Digital sensors constantly monitor conditions within the refrigerator and strategically-placed vents in every section to help surround your food with cool air no matter where you put it.

Swing Door Freezer

LED panels in the refrigerator and freezer section provide exceptionally bright interior lighting and saves energy over traditional bulbs.

* Largest in total capacity, based on manufacturer's published specifications as of 5/29/14. Excludes other LG manufactured products.

** Applies only to units manufactured on or after 5/15/14.
