

Triton's TCMBS Palm Sander features an efficient 450W / 3.5A motor that produces ample power to ensure a high rate of stock removal across a broad range of materials. Lightweight and slim in design, the TCMBS fits in the palm of the hand for on-the-spot convenience. Ideal for common applications such as outdoor furniture and wooden restorations, the flush-side allows up-to-the-edge sanding.

Compact Lightweight Design

fits in the palm of your hand

Rubber Over-Moulded Grip

increases control & safety

Power On-Off

to reduce user fatigue

Flush Side

for sanding up to the edge of the workpiece

Dust Extraction

for a cleaner, safer working environment

Small Diameter Front Roller

allows sanding in confined areas

Belt Tracking Adjustment

enables the sanding belt to be re-centered
