## *Making the Desirable Affordable*

---

**W**ith the coming of 2012, our latest and greatest Millennium Lighting catalog is hot off the press! Each time we release a catalog, we take time to reflect on how the business has grown and the reasons for the growth.

From Millennium Lighting's perspective, it's a win-win relationship with our customers. We benefit from customers who in return benefit from Millennium Lighting. When customers compare inventory turns they have had with Millennium Lighting, the results are hard to ignore. We continue to operate as though our customers are our business partners and will always strive to introduce product in accordance with our slogan, "Making the Desirable Affordable".

Thanks again for your support and as we march forward through this uncertain economy, we will strive to make your life easier by continuing to keep backorders to a minimum.
