

Bubble

Designed in 2013

The Bubble, Matthews Fan Company's modular ceiling fan, is a space-age marvel. Its stunning contours and smooth surface give the fan an otherworldly air. The Bubble is available in two finishes: gloss white and dramatic matte black. The Bubble's remote control determines the fan's speed, direction and illumination. The integrated, energy-saving 4 Watt LED light kit provides ambient light.

- 60" diameter polycarbonate modular body
- Energy efficient three-speed, reversible DC motor
- Damp location finishes: gloss white or matte black
- Limited Lifetime Warranty
- Standard equipment:
 - One downrod of 10". 5", 20", 30", 48" or 72" downrods also available.
 - Vaulted ceiling mount canopy for up to 30 degrees.
 - Reverse on 6-speed hand-held and wall-mountable remote control.
 - Optional light cap cover
