## The Stanton Collection

This 60" Stanton features a Carrara white marble countertop, and is fully constructed of solid oak wood for maximum rigidity and longevity. The clean lines bring a crisp and contemporary look to any bathroom, while the marble countertop gives it a timeless flair. The white countertop, under-mount rectangular sink, and satin-finish hardware creates contrast against the rich espresso cabinetry. Storage-wise, this vanity includes seven drawers and a soft-closing double door cabinet. Included is a large espresso framed mirror.
