

Madrid 54"

3-Rail Fence

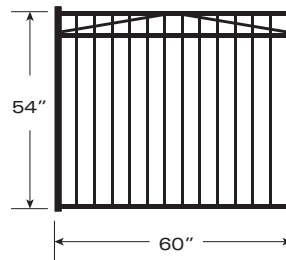

Choose Pre-Assembled Fence

Choose Matching Gate

OR Unassembled Fence

Magna-Latch

- Sections are 6 feet wide & shipped with fasteners
- Posts include post caps & fasteners
- Posts are punched for corresponding style & height of fence & cannot be substituted
- Madrid style fence meets swimming pool enclosure codes that require the middle rails to be spaced 45" apart & the pickets spaced less than 4" apart.

- Gate posts must be used on both sides of a gate
- All gates include two self-closing hinges & a lockable Magna-Latch
- Gates are built to match the fence sections with a welded brace for additional support
