

24" Northland Built-in Undercounter Beverage Cooler

For multipurpose full-depth cold storage, the high-efficiency Northland Undercounter Beverage Cooler is designed with a cantilevered, fully adjustable shelving system. That means you can store up to 190 cans, or 18 2-liters, or 12 6-packs, or 8 12-packs!

Primary Features

- Forced air cooling technology rapidly cools and ensures precise temperature stability
- Electronic controls allow you to select a temperature setting between 34°F to 42°F
- Perforated steel shelves allow cool air to efficiently circulate throughout the cabinet
- Daylight white lighting illuminates the rich midnight black interior
- Tinted UV-resistant dual pane glass
- Decorative stainless steel handle
- Right hinge only, non-reversible
