FEATURES & BENEFITS

Perfect Results	The powerful 4400W broiler gives even browning results, and the AeroTech™ cooking system circulates air providing even heat distribution, eliminating hot spots and making multi-shelf cooking ideal. The two-step roast program helps you produce a perfectly tender and juicy roast.
Sized to Suit	Each oven has 4.1 cu. ft. of total capacity and is big enough to cook a turkey and a large tray of roast vegetables.
Designed to Match	Finished in black reflective glass and stainless steel, this durable oven is designed to match the rest of Fisher & Paykel's coordinated kitchen family.
Easy Cleaning	No need for harsh chemical cleaners in our ovens; simply remove the racks and set to self-clean.
Precise Control	Temperature adjustment is easy with smooth, balanced dial movement. Sophisticated electronics then maintain an even, accurate temperature for better, more precise results.
Safe and Sound	CoolTouch doors are safer and improve energy efficiency by keeping the heat on the inside. An advanced heat-reflective coating and innovative cooling system keeps heat where it should be.
Oven Functions	Oven functions include: Bake, Aero™ Bake, True Aero™, Broil, Maxi Broil, Aero™ Broil, Aero™ Pastry, Roast, Classic Bake, Warm, Self-clean
Accessories	Telescopic sliding shelves, (5 Sets - additional sets available for purchase), 3-pc anti-splatter grill system (Pan, Grid & Rack), Meat probe.
