## FEATURES & BENEFITS

<b>Perfect Results</b>	Professional performance is delivered by eight oven functions — perfect for any culinary requirements. The ceramic glass cooktop with high-speed ribbon elements delivers fast heat when you need it and there is also a gentle heat setting for slow, continuous simmering.
<b>Sized to Suit</b>	This 30" range is spacious with 3.6 cu. ft. of total capacity. A five position shelving system allows ample space for larger meals.
<b>Designed to Match</b>	This Range is designed to complement the Fisher & Paykel kitchen product family with clean lines of black glass and stainless steel.
<b>Easy Cleaning</b>	Ceramic glass is very strong, adding to the durability and performance of the cooktop while the self-cleaning function and removable door make cleaning the oven easy.
<b>Precise Control</b>	The classic dial controls make this range extremely easy to use.
<b>Safe and Sound</b>	A triple glazed door makes the oven safe to touch; the door and oven cooling system keep heat away from cabinetry; while the cooktop has hot surface indicators that glow until the surface is safe to touch and a pan detection system that alerts you if the cooktop is left on with no pan in place.
<b>Oven functions</b>	Bake, Convection Bake, Broil, Convection Broil, Fan Forced, Defrost, Warm, Self-clean.
