FEATURES & BENEFITS

Perfect Results	Professional performance is delivered by powerful gas burners on the cooktop and three oven functions, bake, fan bake and broil.
Sized to Suit	This 30" range is spacious with 3.6 cu. ft. of total capacity. A four position shelving system allows ample space for larger meals.
Designed to Match	This Range is designed to complement the Fisher & Paykel kitchen product family with clean lines of black glass and stainless steel.
Easy Cleaning	The gas cooktop is made from a single piece of stainless steel that contains spills to be simply wiped away, while the easily removable oven door and runners make cleaning easy.
Precise Control	Generous stainless steel control dials with a simple, functional interface are positioned on a full stainless steel control panel for precise control over cooking temperatures.
Safe and Sound	A CoolTouch door and built-in cooling system ensure the oven door is safe to touch externally. Streamlined cast iron trivets on the cooktop let you slide pots and pans without lifting them
Oven functions	Bake, Fan Bake, Broil.
