24" Custom Panel Dishwasher

300 Series - Custom Panel SHVM63W53N

SHVM63W53N Custom Panel

The 3rd rack provides the perfect space for silverware and large utensils while its V shape leaves room below for taller items.

Features & Benefits 44 dBA: dishwasher runs quietly so your kitchen

conversations aren't interrupted. With PrecisionWash™, intelligent sensors and

precision spray arms target every item of every load, so dishes come out sparkling clean every time.

The AquaStop® leak protection system contains leaks through a precisely engineered system. If a leak occurs, the system contains it by shutting down operation and pumping out water. So you have the ultimate peace of mind whether you are away or at home.
