

Cimarron®

The Complete Solution® Toilet

K-98977

Features

- Two-piece toilet.
- Elongated bowl offers added room and comfort.
- Comfort Height feature offers chair-height seating that makes sitting down and standing up easier for most adults.
- 1.28 gallons per flush (gpf).
- Standard left-hand trip lever included.
- Complete Solution toilets provide everything you need in one box, including bowl, tank, seat, wax ring, and floor hardware.
- Grip-Tight Reveal™ Q3 toilet seat features innovative technology that prevents the seat from slamming, and simplifies both cleaning and installation.
- Supply line not included.
- Coordinates with other products in the Cimarron collection.
- Available exclusively at Lowe's.

Technology

- Single-flush gravity uses the force of gravity and a precision-engineered tank, bowl, and trapway to create a strong siphon during flushing.
- AquaPiston canister allows water to flow into the bowl from all sides (360 degrees), increasing the power and effectiveness of the flush.
- Flush valve's 3:2 ratio harnesses the natural force of gravity and optimizes flush performance.
- Durable canister design has 90% less exposed seal material than a 3-inch flapper, for leak-free performance.
- Light-touch canister flush requires a lower actuation force than a flapper.

Installation

- Standard 12-inch rough-in.
- DryLock™ System saves installation time and helps prevent water leakage.

Water Conservation & Rebates

- WaterSense® toilets meet strict EPA flushing guidelines, using at least 20 percent less water than 1.6-gallon toilets.
- Eligible for consumer rebates in some municipalities.

Recommended Accessories

K-7637 Angle Supply with Stop (single)

Optional Accessories

K-4660 Toilet Seat
