

Features

- Featuring a uniquely integrated showerhead and handshower combination.
- Advanced spray engine provides five alternate experiences: full coverage, silk spray, infinity spray and two combination sprays.
- Full coverage spray produces an encompassing spray ideal for everyday use.
- Silk spray releases a dense, luxurious spray ideal for rinsing.
- Infinity spray provides three showering experiences in one spray; complete cleanse, refreshing massage, and delicate rinse.
- Easy mode change button cycles through spray functions.
- MasterClean™ sprayface is easy to clean.
- Magnetic docking securely holds the handshower into place.
- Includes 60-in. metal hose.
- Premium KOHLER finishes with ScratchShield® technology withstands even the toughest daily use.

Installation

- 1/2-in. NPSM connection.
- No tool installation; requires only hand-tightening.

Water Conservation & Rebates

- WaterSense®-labeled 2.0 gpm showerheads use up to 20% less water than standard 2.5 gpm showerheads, while still meeting strict performance guidelines.
- This product can help a building earn Water Efficiency points in the LEED Green Building Rating System.

Technical Information

All product dimensions are nominal.

Showerhead:

Rated maximum flow: 2 gal/min (7.6 l/min)

Pressure: 80 psi (5.5 bar)

Notes

Install this product according to the installation instructions.

For use with automatic compensating valves rated at 1.5 gal/min (5.7 l/min) or less.

Plumbing codes require approved backflow prevention devices to be installed in-line to handshowers. Please consult with local plumbing officials.
