Samsung Jet Mop
VR20T6001MW

Signature Features

Simplicity in Action
• Avoids obstacles as wet spinning pads remove dust and grime.

Dual Spin Technology
• Two spinning pads turn and clean simultaneously for maximum results.

Automatic Water Disperser
• Double water tanks allow for up to 50 minutes run time without any refill needed.¹

¹Based on internal testing in an area with furniture arranged in a similar way to a real home setting. The two water tanks need to be refilled every 50 minutes.

Available Color
White

Samsung Jet Mop
VR20T6001MW

Features

Simplicity in Action – Avoids obstacles as wet spinning pads remove dust and grime.
Dual Spin Technology – Two spinning pads turn and clean simultaneously for maximum results.
Automatic Water Disperser – Double water tanks allow for up to 50 minutes run time without any refill needed.¹
Smart Sensor System – Safely cleans corners and avoids walls, carpeting and furniture.
Superior Edge Coverage – Spinning pads extend from under the unit to clean corners and wall edges.
Long-Lasting Battery Life – High-capacity battery allows you to mop up to 100 minutes on a single charge.
Multiple Cleaning Modes – Switch between 8 cleaning modes with the handy remote control.
Hand Mode for Floor-to-Wall Cleaning – Manually clean wherever you want using Hand Mode.
2 Types of Pads – Choose Microfiber or Mother Yarn, which is 100x thicker than Microfiber. Both are machine washable.
