# Universal Soundbar Bracket

PART NO: 63607104

Congratulations on your latest Atlantic purchase. Follow these simple instructions and you'll have your soundbar bracket assembled in no time.

Maximum soundbar loading weight is up to 15.4 lbs (7 kgs).  
This bracket fits up to a 600mm x 400mm VESA hole pattern.

Keep this Instruction Manual for future reference.  
Keep your original proof of purchase (store receipt).

If you have any questions and/or wish to order parts, please call us toll free at [800-747-2660](tel:800-747-2660), or email [customer\\_relations@atlantic-inc.com](mailto:customer_relations@atlantic-inc.com).

# Assembly Tips:

Become familiar with the instructions and all parts. Select the best assembly option that fits your soundbar properly.

Make sure that all parts are in the box and in good condition.

Assemble the product on the open flat carton or a rug to protect the product and floor.

Some heavy products need a second person to assist with the assembly.

Do not install on a sloping surface.

With each step, first insert and hand-tighten all bolts and screws. After **ALL BOLTS** are slightly screwed in, fully tighten bolts or screws with a screwdriver.

Attaching speakers to a TV may make it top heavy and cause it to topple. Secure your TV to prevent tipping.

## Caution:

If you do not understand these instructions, or have doubts about the safety of this installation, contact customer service or call a qualified contractor. The manufacturer is not liable for damage or injury caused by incorrect mounting, assembly or use.

Never let children climb on product or play with product.

Do not sit or stand on the product.

Do not install a soundbar that is heavier than the recommended load rating on the product.

Improper handling can result in cuts and lacerations.

Images are for reference only.

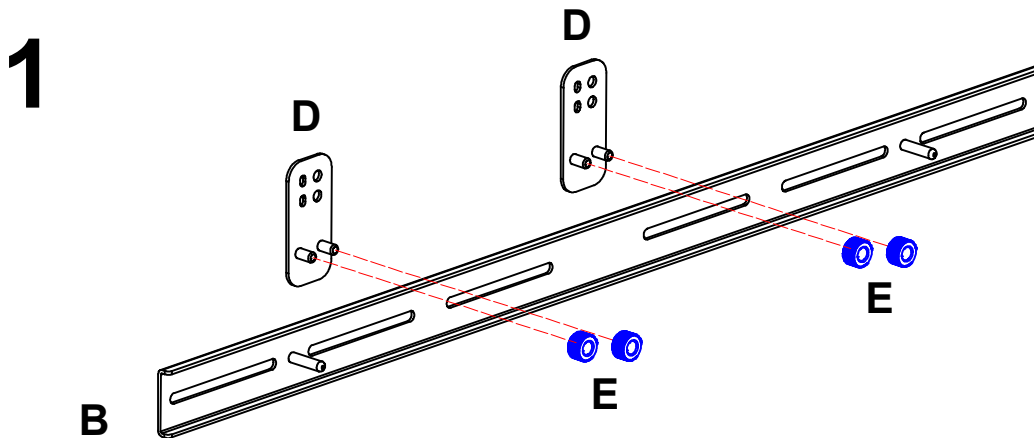

## Parts List

Part #	Item	Qty.	Part #	Item	Qty.
A		2	J	 M6x16mm	2
B		1	K	 M8x20mm	2
C		2	L		2
D		2	M		2
E		8	N		1
F		2			
G		4			
H	 M4x16mm	2			
I	 M5x16mm	2			

## MUTIPLE WAYS TO MOUNT YOUR SOUNDBAR

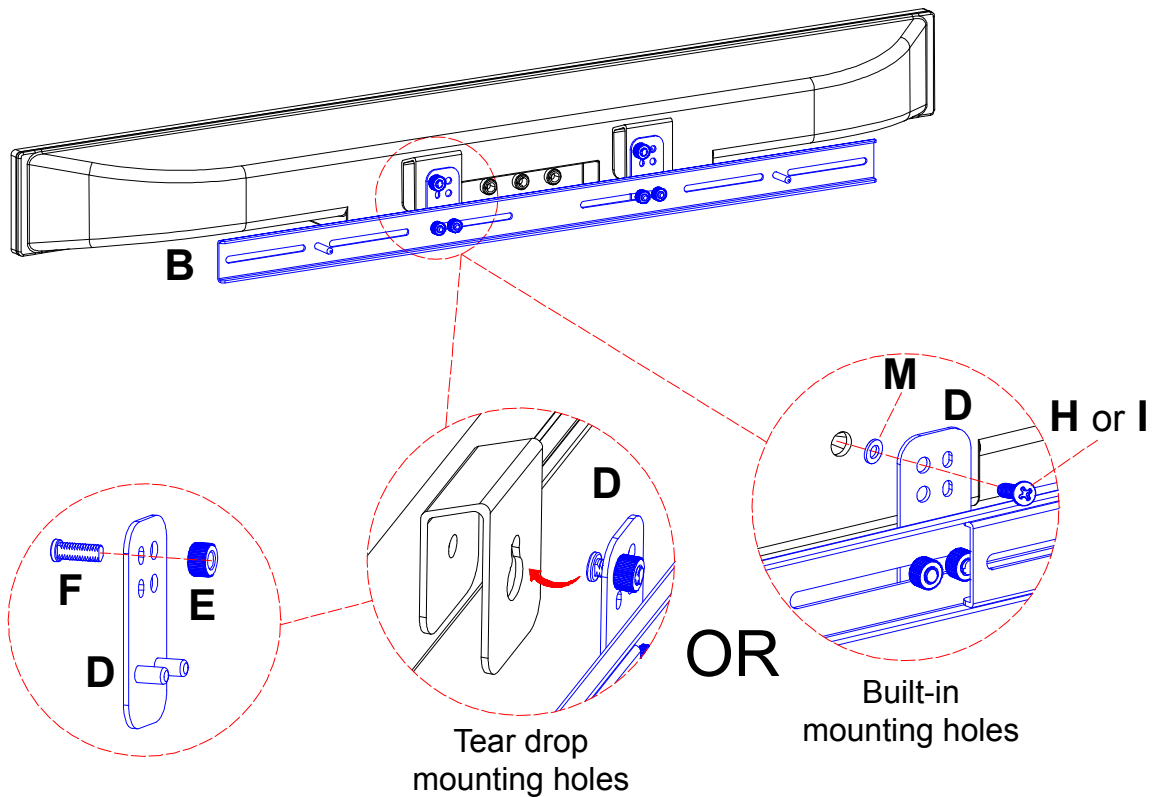

**WARNING:** Attaching speakers to a TV may make it top heavy and cause it to topple. Secure your TV to prevent tipping.

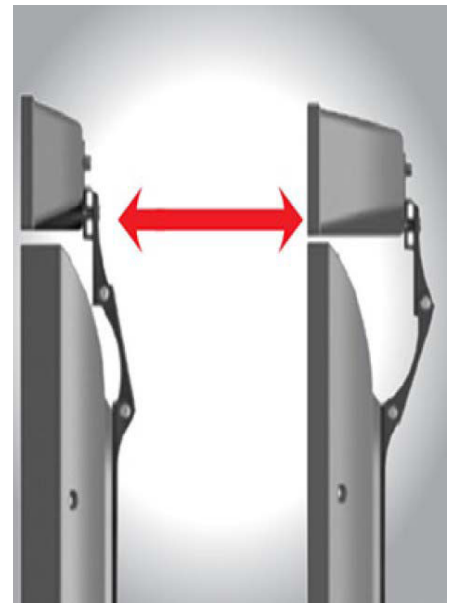

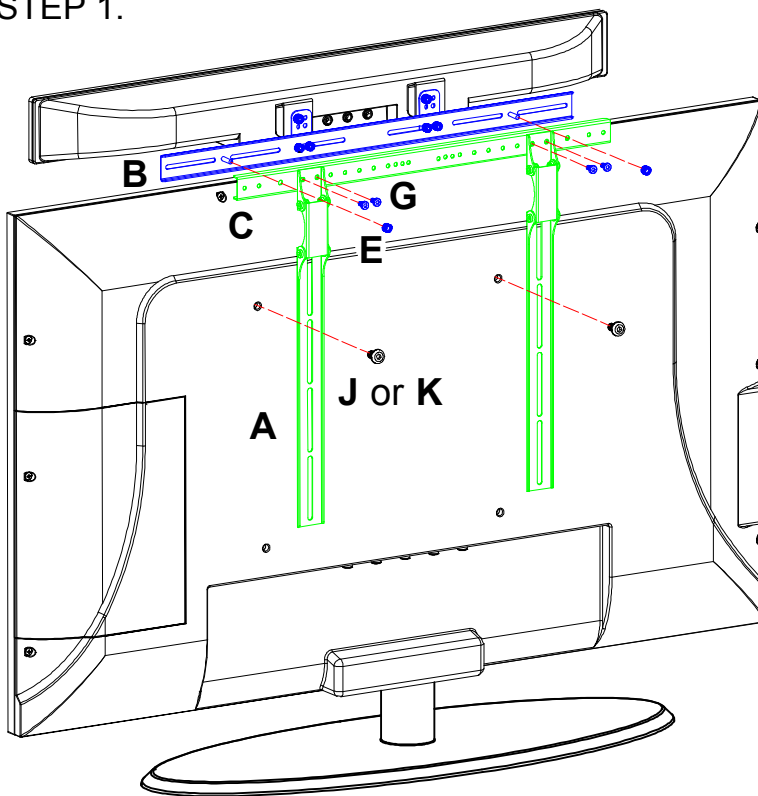

Check the soundbar hole spacing. Then attach the sliding plates (D) onto the horizontal bar (B) with nuts (E), but do not tighten them.

# 2

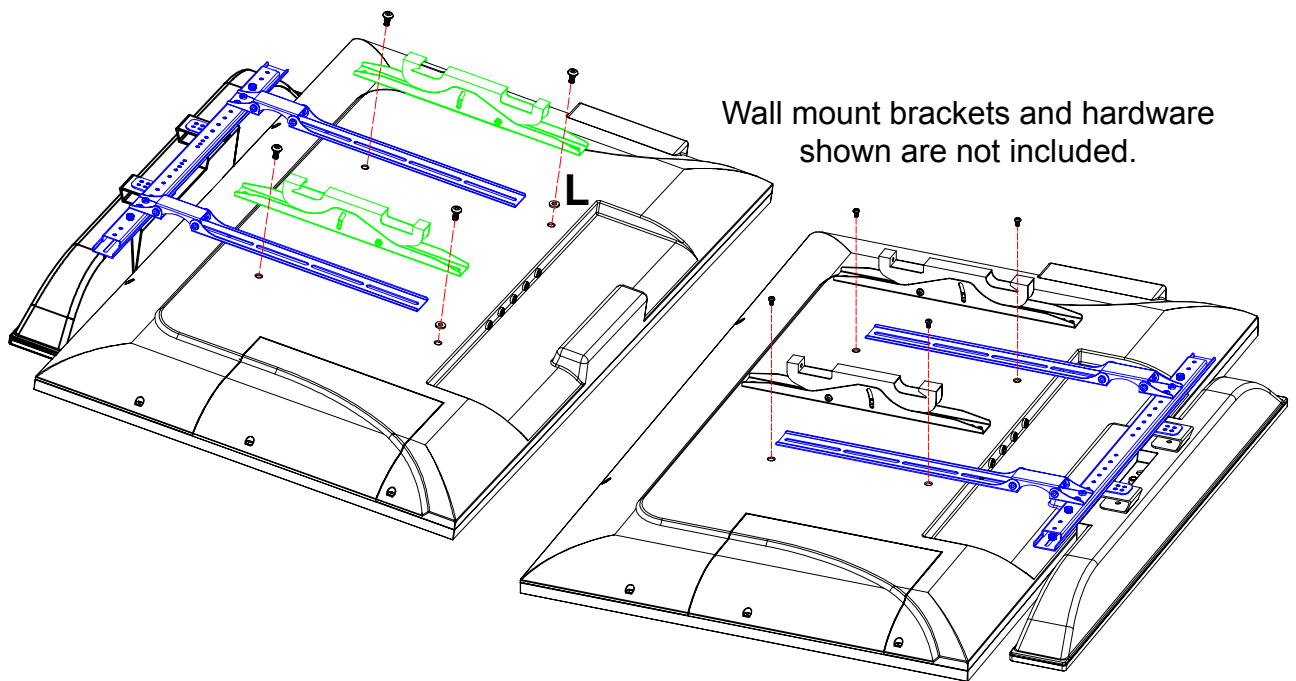

For a soundbar with tear drop mounting holes, attach sliding plates (D) to the soundbar with screws (F) and nuts (E). For a soundbar with built-in mounting holes, attach the sliding plates (D) to the soundbar with screws (H or I) and washers (M). Tighten the four nuts (E) from STEP 1.

# 3

Attach vertical bars (A) to horizontal bar (C) with screws (G). Attach bars (A) to TV back with screws (J or K). Join horizontal bars (B and C) with nuts (E). Adjust soundbar position as shown above.

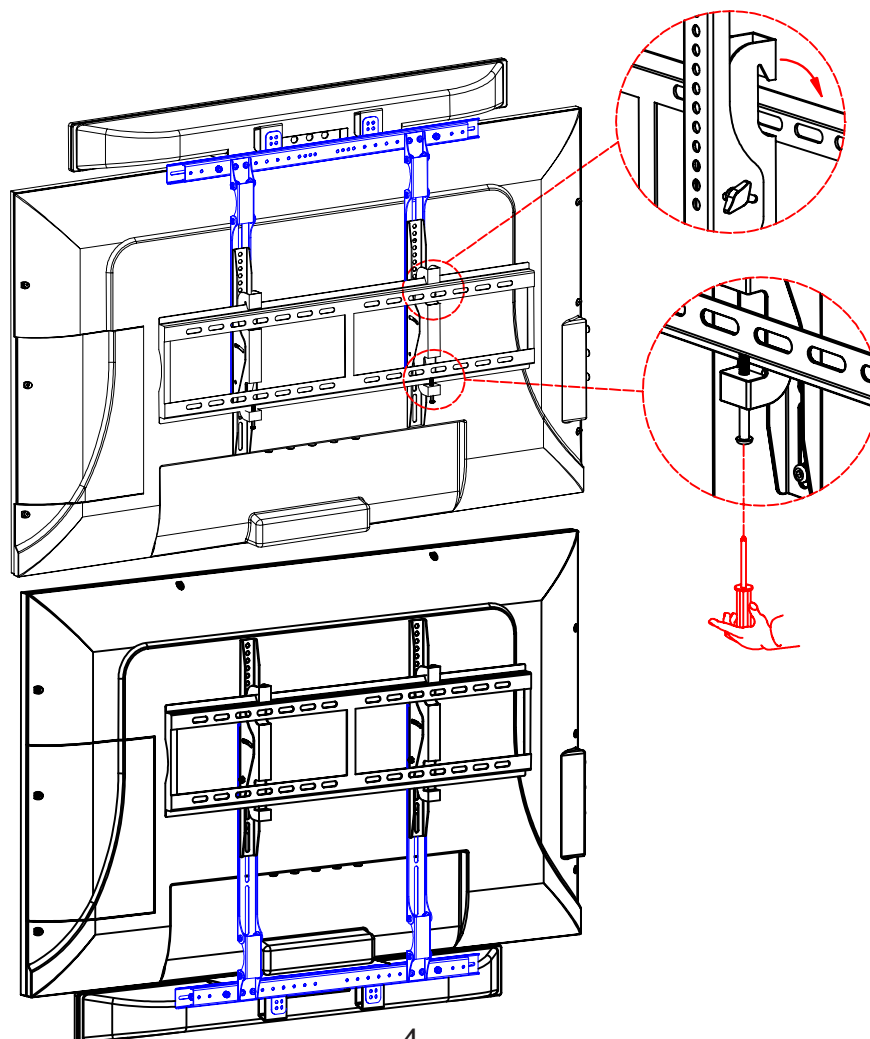

# 4

If you are installing the soundbar bracket and a TV wall mount, attach both brackets to the back of the TV using TV mount screws. If vertical bars (A) do not extend over the bottom two TV mounting holes, use spacers (L). The soundbar can be mounted above or below the TV as shown.

Wall mounting brackets and hardware shown are not included.

### **Product Warranty:**

Atlantic Inc., warrants to the original purchaser that its products are free from defect in materials and workmanship. If after inspection, we find that the product was defective in materials or workmanship we shall repair or replace the product at our discretion. This warranty does not cover accidental damage, misuse, improper care or alteration and excludes claims for incidental or consequential loss. This limited warranty applies to product purchased in the U.S. and Canada. This warranty gives you specific legal rights and you may also have other rights which vary from State to State. The warranty duration is one year from the date of purchase.
