

PERFORMANCE RAIL  
ORDER GUIDE

ENGINEERED TO LAST BEAUTIFULLY

# Order Rail in 3 Easy Steps

## How to Order AZEK® Building Products Railing:

---

- 1** Select preferred style and color
- 2** Select preferred infills—balusters, cable, glass
- 3** Select sleeve and finishing touches—caps, skirts, lighting

## Simplifying Your Rail Buying

AZEK® Building Products provides a range of railing profiles to meet diverse styles ranging from classic to contemporary for semi-custom railing options. This guide simplifies the ordering process allowing you to recommend and order the low maintenance components for the perfect performance deck and railing project. All styles complement AZEK and TimberTech® decks.

## Table of Contents

Product Overview.....	4-9
Classic Premier Rail® .....	10-11
Classic RadianceRail® .....	12-13
Classic Trademark Rail™.....	14-15
Classic Reserve Rail™.....	16-17
Classic RadianceRail Express® .....	18-19
Contemporary Impression Rail™.....	20-21
Contemporary Evolutions Rail® Contemporary.....	22-23
Contemporary Evolutions Rail® Builder.....	24-25
Accessories and Lighting.....	26-27

Shown on front and back cover: RadianceRail® in Kona with composite balusters.

# Classic Rail Styles

## Premier Rail®

The classic Victorian profile of Premier Railing combines the beauty and feel of real wood with the added strength of performance materials for a high-end look that endures.

## RadianceRail®

With traditional smooth lines and invisible hardware, RadianceRail is available in six classic colors allowing you to mix and match posts, colors, and baluster options for a custom look.

# Contemporary Rail Styles

## Impression Rail®

AZEK® Building Products now offers a sleek aluminum rail system in Black and Bronze with streamlined rectangular balusters and options for rail height and post style.

## Evolutions Contemporary Rail®

A modern rail profile with a continuous flat top rail is available in two colors and is compatible with all infill options.

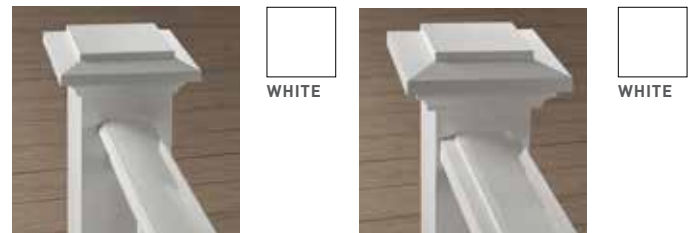

## Radiance Rail Express™

Available in three color options with composite balusters. RadianceRail Express offers fewer installation steps with exposed brackets and routed baluster holes.

## Trademark Rail™ & Reserve Rail™

Trademark Railing offers understated elegance, combining the classic clean lines of a traditional colonial profile with the promise of lasting beauty. Reserve Railing with an extra-wide top rail and expansive caps, creates an impressive profile on porches, balconies, and large-scale decks for a lasting impression.

Trademark and Reserve Rail styles are only available in select markets.

## Evolutions Builder Rail®

This modern rail profile is designed to work with a TimberTech® or AZEK® square-shouldered deckboard as a top rail. Available in two colors with glass infill or round metal balusters look.

# LIGHTING AND ACCESSORIES

Add the finishing touches to your deck and railing project with lighting options, CableRail tools and sleeves, additional hardware or mounting systems, gate kits or ADA compliant handrail.

## LIGHTING

AZEK Building Products Lights offer added style and safety with highly efficient LED chips all with a 2700K color temperature for a consistent, warm incandescence.

Post cap lights are installed with the choice of Post Sleeve and post cap, coordinate with Premier, Trademark, RadianceRail and RadianceRail Express.

Lighted Island Caps replace a traditional 5.5"x5.5" post cap with a concealed lighting panel.

Accent Lights and Under Rail Lights provide more options to add to railing systems and to coordinate with riser and in-deck lights for a cohesive nighttime deck ambiance.
