Warnings and Cautions

Turn off electricity at circuit breaker or main fuse box before installation. Consult a licensed electrician if in doubt.

These instructions are provided for your safety. It is very important you read them completely before installing the fixture. We strongly recommend that a licensed, professional electrician perform the installation.

Disconnect fixture from power source before replacing bulbs. Make sure bulbs are given sufficient time to cool before removal. Do not subject glass parts to any shock while in operation or shattering may result.

- Place the Harp by pressing the ends of the Harp into the Harp Clips.
- Place the Shade and the Rubber Washer onto the top end of the Harp as shown. Secure by threading the Finial onto the Harp. Hand tighten until snug. Please make sure the Shade and the Finial are parallel with the Base after assembly.
- This fixture uses standard bulb (3-Way) with standard screw base. Maximum 150 watts. Insert bulb and screw snugly into place.

Your fixture is now assembled and ready to use. Enjoy!
