Luzerne 3PC Round Wall Mirror Set

Parts List

Please check packaging for all parts and hardware before discarding. Unpack and lay parts on clean, padded surface like carpet or blanket. Check that you have all parts indicated. Call customer service if hardware is missing. Before beginning assembly, carefully study the diagrams below and sort your hardware according to the pictures. Using the incorrect hardware will cause damage.

A Quantity of 2

Plastic Anchor

B Quantity of 3

Screw Dia 1/8"x1-1/4"L

1

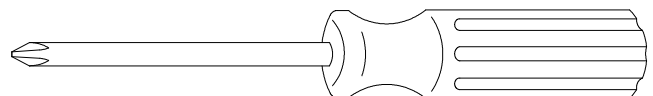

Luzerne 3PC Round wall Mirror Set

Care and Cleaning Instructions:

Before using, wipe with a clean, dry cloth. Avoid rubbing or scratching the surface with rough or abrasive objects.

Call customer service at 1-800-633-5096 for assistance, questions, or Parts.

Assembly Tool Required No.2 Phillips Screwdriver (Not Included)

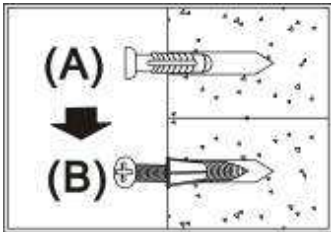

Tool List: Tape Measure, Drill, 3/16" Drill Bit, and Pencil

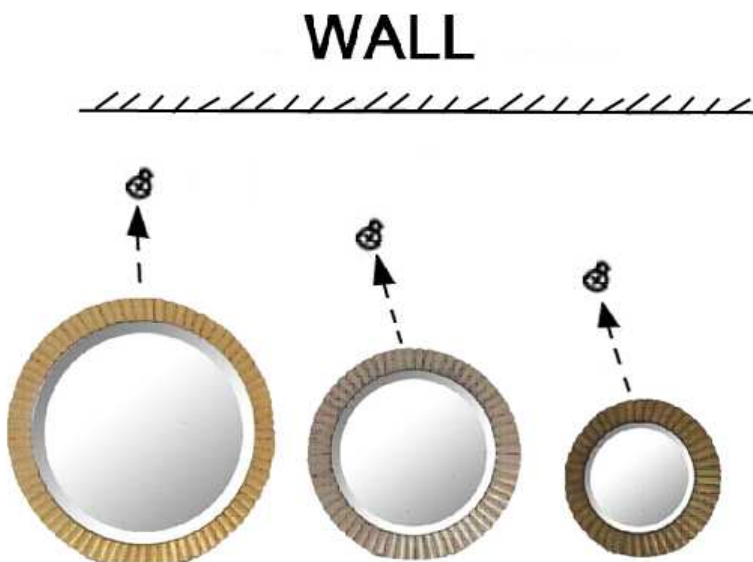

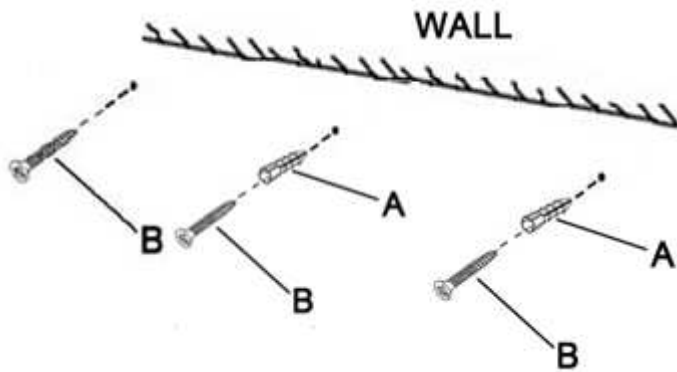

Luzerne 3PC Round Wall Mirror Set

Assembly Instructions

Note: Drilled hole or plastic anchor not required when mounting to stud, use screw only. We do not supply hardware for mounting on concrete walls.

"The hole measurements on the wall must match with the hole measurements on back of the unit"

Find a desired location and mark 3 locations for screws on wall after measuring the distances between the 3 mirrors.

The large mirror's screw must be installed into a wall stud.

Drill two 3/16" holes in the location on the wall. (Do not drill a hole if you are hanging a mirror on a wall stud.) Insert Wall Anchors (A) where you drilled the holes. (When doing this, you will need a hammer help you).

Using Phillips screwdriver, install Screws (B) into the wall stud and Wall Anchors (A). Turn Screws (B) until there is a gap of 3mm between the head of the screw and the wall as shown.

Install the mirrors onto Screws (B) and verify the Luzerne 3pc Round Wall Mirror Set is resting securely on the mounting Screws (B).

Now your Luzerne 3pc round wall mirror set is ready to use.
