INSTALLATION-GUIDE

WYNDHAM COLLECTION

INSTALLATION INSTRUCTIONS

- ① Attach counter to cabinet with silicone sealant applied to top of front and side cabinet edges. Do not over apply. Allow to dry for 24 hours for proper curing.

- ② Licensed professional installation recommended. Other installation techniques may require a licensed professional.

- ③ Place flathead bolts through existing holes on mirror shelf. Attach to bottom of mirror frame and use Allen key to tighten bolts until shelf is securely fastened to mirror frame.

- ④ Drill holes in wall and gently tap anchors into the holes.

- ⑤ Place wooden cleat flat onto wall, carefully lining it up with the holes. Next, use the screws provided to fasten cleat onto the wall.
