### Colour / Shades Available

| FINISH                        | SHADE |
|-------------------------------|-------|
| ancient bronze w/antique gold | n/a   |

A lithe circler set swirls elegantly around the central fixture. A complexly engraved band of brushed bronze is set in a matte obsidian frame that illuminates the cream faux candles encased within. The majestic sweep of the iron arms slip seductively out of the bottom, and the resulting light radiates in a varied yet graceful pattern through the intricacy of the band.
