

**GLANCE**

Glance®  
Powerized  
Professional Glass  
& Surface Cleaner

Glance® is the market leading brand for glass cleaning in the janitorial market. Glance Powerized is an ammoniated glass and surface cleaner that leaves a brilliant streak free shine.

#### Features

- Leaves a pristine shine by cutting through grease, grime, soap films, finger prints and smoke films
- Non-streaking, ammoniated glass cleaner quickly dries without smearing
- Powerized formula works on simple and heavy duty jobs
- Blue in color with an ammonia scent

#### Benefits

- Ready-To-Use and concentrated formulas available for convenience and operational efficiency
- Delivers superior cleaning performance when used on glass and other washable surfaces such as chrome, stainless steel, sinks, bathroom fixtures, countertops and laminate surfaces

#### Applications

- Ideal for schools, offices, break rooms, day care centers, restaurants and other commercial facilities
- For use on glass, mirrors, whiteboards, chrome, stainless steel, appliances, countertops and more

## Use Directions

### Spray Bottle Application:

- Spray onto surfaces to be cleaned.
- Wipe surface with clean cloth or dry towel.

### Aerosol Application:

- Hold upright and spray 6-8 inches from surface to be cleaned.
- Wipe surface with clean cloth or dry towel.

### Smartdose Application:

Dilute product into a properly labeled spray bottle according to the dilution instructions on the side panel. Once the solution is made in the spray bottle, apply Glance® to the surface to be cleaned. Wipe with clean cloth or towel to dry.

## Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at [www.sealedair.com](http://www.sealedair.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
