Directions for use

1. Break pre-filled baits apart.
2. Hold bait upright and cut off colored section.
3. Place baits label side up near ant trails or close to where ants are numerous. Place additional baits anywhere ants may enter your home. For best results, use all 6 baits to ensure sufficient supply for the ants.
4. Monitor regularly for activity but do not interfere with the ants or baits. Replace with additional baits when first set is depleted.
