**CARE AND MAINTENANCE**

- Paint on this furniture might peel if it is not handled properly. Handle with care.
- Clean frame with a solution of warm water and mild soap. Dry completely. Do not use bleach or solvents. Use a fine automotive wax to maintain gloss on non-textured finishes.
- The finish on furniture is formulated and baked on to make it highly resistant to repellents and lotions. However, to avoid discoloration, clean the frame as soon as possible after exposure.
- For best results, clean weave regularly with mild detergent and warm water. Cleaning will help prevent mildew by washing out dirt particles that may become trapped. Shake out excess moisture after rinsing and allow to dry thoroughly before storing.

- Spot wash fabric by sponging briskly with a soapy solution in lukewarm water (do not exceed 100°F). Thoroughly rinse with clean water to remove soap. Allow to air dry completely before storing.

**LIMITED WARRANTY**

- This limited warranty is extended to the original purchaser and applies to defects in materials and workmanship of your patio furniture, provided your furniture is maintained with care and used only for personal, residential purposes.
- Frames and welds are warranted to be free from defects in material or workmanship for a period of five (5) years.
- Finish is warranted against peeling, cracking or blistering for a period of one (1) year.
- Exclusions: Items used for commercial, contract or other non-residential purposes; display models; items purchased "as is;" or items damaged due to acts of nature, vandalism, misuse or improper assembly are not covered. Discoloration or fading of the finish or fabrics as a result of exposure to the elements, chemicals or spills; tabletop breakage; corrosion or rusting of hardware; and damages to frames or welds caused by improper assembly, misuse or natural causes are not covered.

If within the stated warranty period a product is found to be defective in material or workmanship, the purchaser must contact the manufacturer's customer service department at 1-866-439-9800. The manufacturer, at its option, will repair or replace the defective parts.

Warranty is to the original purchaser and is non-transferable. Any replacement of warranted items will be in the original style and color, or a similar style and color if the original is unavailable or has been discontinued. As some states do not allow exclusions or limitations on an implied warranty, the above exclusions and limitations may not apply.
