

## WaterWheel Play Table™

**Falling water action encourages creative exploration and cause & effect learning**

- Imaginative water play center encourages hours of outdoor fun
- Child pours water into the wide funnel activating the water wheel which spills into the inner and outer harbors
- Two molded-in sections function as canals, moats, lakes, harbors and more
- Quality poly construction for all-weather durability
- Elevated design keeps water at toddler level and also keeps ground dirt clear of water and mud from forming on children's feet
- Accommodates up to 3 children to encourage group play
- 4-piece accessory set includes: 1 cup, 2 sailboats, and 1 water wheel tower (boat design and colors may vary)
- Decorative molded-in fish designs on legs
- Holds up to 4 gallons
- Minimal adult assembly required

**Ages 1 year and up**
