

BUTTERFLY™ SHOWER DOOR

DREAMLINE™
dream in style

The **BUTTERFLY** collection of shower doors offers a beautiful frameless design paired with space saving bi-fold action. This collection includes options with a single bi-fold door for smaller shower door openings or a combination of two bi-fold doors for wider openings. The smart bi-fold action allows the panels to slide and fold creating an ample walk-in opening to maximize space. Wall profiles provide a flexible installation with adjustment for width and out-of-plumb walls.
