Covert Operations Commitment

Covert Operations is committed to designing and manufacturing specialty anchoring products of the highest quality. We are an engineering driven company that has the testing and approvals to substantiate the technically superior products we produce.

With our adhesive and anchoring manufacturing facility located in Southern California, Covert Operations is uniquely positioned to address the design challenges that being in a seismically active area poses.

WARRANTY & REMEDY

All warranties of the product described herein, expressed or implied, including the warranties of merchantability and fitness for particular purposes are specifically excluded except for the following:

Covert Operations will repair or replace at its sole option any product which within 30 days after sale by Covert Operations or its distributors, is found to be defective in material or workmanship, normal wear and tear excluded. This is the sole remedy available to any buyer.

This warranty does not apply to uses not in compliance with specific applications and installation procedures set forth in this catalog, or to non-catalog or modified products.

**DIFFERING OR ADDITIONAL TERMS
AND CONDITIONS OF SALE**

Covert Operations offer for sale, as set forth herein, as well as the customers acceptance thereof by purchase shall be limited strictly to these terms and conditions which shall constitute the full agreement between parties. Any additional, differing, or contradictory terms or conditions which might be contained in the buyer's purchase order form shall not be of any effect and shall not be part of this agreement between parties without express written consent by Covert Operations.

LIMITATION OF LIABILITY

Covert Operations shall not be liable for any injury, loss or damage, direct, indirect, incidental or consequential, arising out of the use of, or the inability to use, the products described herein. Products are designed and manufactured for specific purposes as specified, and should not be used with other products not approved by a qualified designer. Modifications to products or changes in installation procedures should only be made by a qualified designer. The performance of such modified products or altered installation procedures is the sole responsibility of the designer.

INDEMNITY

Any and all modifications made by the customer to either the product itself or the installation procedures shall, regardless of specific instructions to the user, indemnify, defend, and hold harmless Covert Operations, Inc. for any and all claimed loss or damage occasioned in whole or in part by modified products.

All warranties are expressed in lieu of all other warranties, express or implied, including warranties of merchantability or fitness for a particular purpose, all such other warranties being hereby expressly excluded.
