

Warranty – Little Giant Ladders Systems®

Little Giant Ladder Systems Limited Warranty (to original purchaser)
Our warranty is backed by over 40 years in the ladder business

We sincerely believe that our ladder is the best in the world. We put our products through rigorous tests to ensure the ladder you trust is built to the highest standards. You will probably never encounter a problem with this Little Giant Ladder. However, if you do discover a problem caused by defects in either workmanship or materials within the warranty period (see table on reverse side) from the date of the original purchase, we'll be happy to repair or replace, at our option and without cost to the original purchaser. All we ask is that you get your ladder to our manufacturing facility in Springville, Utah. If it is determined that the problem is covered by our warranty, we'll take care of the rest. All freight to and from the factory is to be paid by the customer. If a replacement is necessary and your product is no longer available, a comparable product will be substituted.

Little Giant ladders are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our warranty, just like other warranties worldwide, will not cover wear and tear, misuse and/or abusive treatment. But we do ensure a timely resolution at a fair price. Misuse may include, but is not limited to, damage by vehicles, tools, people, animals, falling objects, acts of God, and using a Little Giant ladder in any matter contrary to the warning/instruction labels and owner's manual. If you need an owner's manual, please contact us and we will send you one.

Before you ship your product back for warranty review, please call us at 1-800-453-1192 to obtain a Return Merchandise Authorization or RMA from our Customer Service Department. Return your ladder prepaid, insured, and in a carton. Include your name, address, phone number, proof of purchase, and a brief description of the problem. The address to return the product is: Little Giant Ladder Systems, Attention: Warranty Department, 1198 North Spring Creek, Springville, Utah 84663. This shall be in lieu of any other warranty, expressed or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose. The liability of Little Giant Ladder Systems under this warranty shall be limited solely to repair or replacement of the ladder within the warranty period; and Little Giant Ladder Systems shall not be liable, under any circumstances, for consequential or incidental damages, including but not limited to, personal injury or labor costs.
