Limited Warranty

Flexco Corporation, Inc. manufactures and markets its products under the trade name Flexco®. All Flexco products are covered by a warranty period from the date of purchase by the Installer or End User against defects in material and workmanship and conform to product specifications, provided installation, maintenance and use falls within Flexco's current written instructions. Most products, as described below, also carry a Limited Wear Warranty and those details are described on a per product basis. The Limited Wear Warranty is related to "Wear Through" of the product wear layer.

NOTICE OF DEFECT PRIOR TO INSTALLATION

Flexco requests notification of any defect prior to installation. If this occurs, Flexco will replace the material at no charge to the Installer or End User. Failure to notify Flexco prior to installation could result in voided product warranty. The installation of defective material waves any right to product and/or labor reimbursement.

NOTICE OF DEFECT DURING OR AFTER INSTALLATION

If defect is discovered during or after installation, notification must be made to Flexco. Flexco must be permitted the right to a sample or inspection of the installation. Upon inspection of the sample or installation, if Flexco determines the product to be defective, Flexco will repair or replace the determined defective product, subject to the limitations of this warranty, and prorated as described within each product section relevant to the limited manufacturers' and/or limited wear warranty. Intentional installation of defective material waves any right to product and/or labor reimbursement.
