**Wear Resistance Warranty** ensures your floor will not wear through the wear layer under normal household conditions and proper maintenance****.

---

* Normal household use is defined as common daily activities in the home, excluding pet damage such as chewing, digging, clawing, etc.

** A floor discolored due to mold or mildew growth will be replaced only one time. If the replacement floor fails in the same manner, the site conditions may not be acceptable for the installation of sheet vinyl.

*** A floor discolored due to asphalt track off will be replaced only one time. If the replacement floor fails in the same manner, the site conditions may not be acceptable for the installation of sheet vinyl.

**** Wear-through is defined as complete loss of the wear layer so that the printed pattern or design is altered. Gloss reduction is not considered wear and is not covered by this warranty.
These warranties only extend to the original end user and are not transferable.

In order to maintain and protect your coverage under the terms of these warranties, it is the Home Owner’s obligation to adhere to the following:

1. Know which warranties apply to your particular vinyl flooring.

2. Keep proof of your purchase in the form of a bill, invoice or statement from your Mohawk retailer that shows the date and price you paid for the vinyl flooring (including labor).

3. Understand that Mohawk warrants the first quality products – which are used only for recommended Residential use – will perform properly for the stated warranty period when installed in accordance with Mohawk Residential Installation Guide over approved substrates and underlayments and using the recommended adhesives and seam bonds/sealers. The warranty period, when valid, begins on the date of the original installation.
   - Residential use is defined as: use in living space environments (which do not have light or heavy commercial traffic) including all areas of owner-occupied residence. If there is a question as to the type of use that is considered “residential,” please contact your Mohawk representative prior to purchase and installation. PLEASE NOTE that Residential warranty exclusions with respect to caster and rolling loads due to the unusual characteristics of this type of wheel traffic.

4. Use Mohawk recommended adhesives and seam bonds/sealers when installing vinyl flooring, including Mohawk. FLEX-TECH pressure sensitive adhesive and IVC FLEX-SEAM premium seam bond or Infuze Permanent Seam Sealer. Approved secondary alternatives include: Taylor 2037 and Henry® 650 R adhesives and Taylor 2062 seam sealer.
   - NOTE: If you elect to permanently install your Mohawk flooring using IVC Flextech Ultra or Mohawk V-One permanent adhesive for sheet vinyl and/or IVC Infuze permanent seam sealer as opposed to the recommended releasable adhesive and seam bond, please be advised that labor rates exceeding residential releasable removal and underlayment will not be covered.

5. Ensure vinyl flooring is installed in an environment that maintains a temperature range for 24 hours between 65° and 85° Fahrenheit (18° and 29° Celsius) before, during and after installation.

6. Inspect flooring material prior to installation for any imperfections or manufacturing related defects. Mohawk floorings receive extensive testing and visual examination in an attempt to assure your shipped floor is always first quality. It is the responsibility of the installer/end user to confirm the received material is free of any obvious visible conditions that may be detrimental to the appearance and/or performance of the product.
   - Minor color, shade and/or texture variations are normal. Any variances between actual material, product samples and/or brochures should be addressed with your retailer prior to installation. If the retailer determines the condition “unacceptable,” the manufacturer should be informed immediately.

7. Support furniture with wide, weight-bearing, smooth non-staining plastic floor protectors or non-staining felt pads. The protectors/pads should be at least one inch in diameter and rest flat on the floor. The heavier the item, the wider the floor protector should be. Felt pads should be inspected periodically and maintained with respect to the amount of foot traffic to remove imbedded material to avoid abrasion.
   - Chair mats designed for hard surface floors are required under all chairs and stools with casters.

8. Perform proper cleaning and maintenance regularly and as needed. See Residential Care and Maintenance guidelines for details.

2. Loose lay installation of more than 25 square yards and no more than one seam.

3. **Improper Installation:** Material installed not in accordance with Mohawk Residential Guide, including any and all problems caused by the use of non-recommended adhesive or seam bonds/sealer, underlayment and/or preparation of the substrate are not warranted. Installation errors are not manufacturing related conditions. Mohawk does not warrant installer workmanship.

4. Mohawk will not pay for labor costs to repair or replace material with visible conditions that were apparent before installation.

5. Improper maintenance which results in loss of gloss or buildup of a dulling film. This includes damaged caused by steam mops.

Mohawk Residential Warranty Details

Warranty Remedy
If your Mohawk floor fails to perform as stated in the applicable Mohawk General Residential Limited Warranty, Mohawk will determine whether it will assist in the repair of the defective area or supply new Mohawk material of the same color, design or grade if available. If unavailable or discontinued, Mohawk reserves the right to select and supply similar Mohawk material. At times, it may be necessary to contract a Certified Inspector to determine unknown causes; Mohawk reserves the right to determine if this action is necessary or not.

1. If Mohawk authorizes repairs or replacement of a section as a result of a warranty claim, you will be required to clear any items placed over the affected area subsequent to the original installation. Mohawk will not credit or reimburse cost associated with the removal of those items.

2. Mohawk will reimburse reasonable labor costs (up to 100%) based on a detailed statement if professional installation was paid for when the original floor was installed for years 1 and 2. For years 3 through 5, 50% of reasonable labor costs will be reimbursed if professional installation was paid for when the original floor was installed. After 5 years, there will be no reimbursement for installation labor.

3. Labor reimbursement will not be considered for installations not adhering to the Mohawk Residential Installation Guide*.

4. Warranty coverage for a replacement floor will be limited to the remaining portion of the original warranty.

If there is a question as to what is considered “reasonable cost,” please call Mohawk at 1-800-524-2514 ext. 35351.

Consequential or Incidental Damages
MOHAWK EXCLUDES AND WILL NOT PAY CONSEQUENTIAL OR INCIDENTAL DAMAGES UNDER THESE LIMITED WARRANTIES. By this we mean that Mohawk will not credit or pay for any loss, expense, or damage other than to the flooring itself that may result from manufacturing related defects in the flooring. Some examples of consequential or incidental damages are: replacement of subfloors or underlayments, trim moldings, disconnecting / reconnecting appliances or fixtures as well as moving of furniture.

NOTE: If your floor is replaced because of discoloration due to “bottom up staining,” mold or mildew growth or asphalt / non-asphalt tracking, this is considered a site-related condition and the replacement floor will not be warranted against future discoloration or staining.

THERE ARE NO WARRANTIES BEYOND THIS EXPRESSED WARRANTY. ALL OTHER WARRANTIES INCLUDING IMPLIED WARRANTIES, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE, ARE EXCLUDED. PLEASE NOTE: SOME STATES AND PROVINCES DO NOT ALLOW EXCLUSIONS OR LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU.

For details on how to file a claim, please refer to our “How to File a Claim” section.

* The installation manual is reviewed on a regular basis, and floors must be installed according to the recommendations that are current and available at the time of installation.

** Mohawk recommends non-asphalt sealers to help avoid walk off staining.

*** Mohawk does not recommend the use of casters on any flooring without appropriate chair pads.
