COOK IN WIDE OPEN SPACES

Want more space and flexibility while you cook? Look no further than our LG double oven. Our cooktop with front controls offers ample space, so you can use large pans and skillets while still having two free ovens. Plus, this gas double oven has one of the the largest capacity in the whole industry, 6.1 cubic feet. Because you never know when a bake sale or big family dinner might sneak up on you.

Large Capacity

LG offers you the largest capacity gas double oven in the industry – which gives you the greatest flexibility to cook. Make two meals at once – Allows you to cook different dishes at different temperatures all at the same time. Gives you room for everything you'd need for a holiday dinner.

IntuiTouch™ Controls

IntuiTouch™ display, makes operating your gas range a snap. The left side of the panel mirrors the cook top elements, while the right side controls the oven functions.

SuperBoil™ Burner

Spend less time waiting and more time cooking. The powerful Superboil™ 17,000 BTU Burner brings water and other liquids to a boil quickly.
