

SLIM YET FEATURE PACKED.

This 10 cu. ft. refrigerator with bottom freezer offers sophisticated style that fits in any space. Reach, store, and see a wide array of fruits and vegetables in the clear, full-width crisper, while the adjustable door bins and storage frees up interior shelf space. With integrated handles to keep the exterior sleek, this refrigerator's modern styling and convenient features are both yours.

- Electronic Temperature Controls

10 cu.ft. Large Capacity

Our 24" width slimmed down refrigerator makes the most of every inch of available space. Offering a wide array of features and flexible drawers this small-space solution makes it easy to fit lots of function into studio apartments, lofts, tiny houses and other small spaces.

Multi-Air Flow Freshness System

Multi-Air Flow Freshness System is designed to maintain superior humidity and temperature levels to help keep your food fresher, longer. Digital sensors constantly monitor conditions within the refrigerator and strategically-placed vents in every section to help surround your food with cool air no matter where you put it.

Premium LED Interior Lighting

LED panels located on the rear of the refrigerator provide an exceptionally bright interior and saves energy over traditional lighting.
