| Receptacle                                                                                  | 120 V, 15 A, 60 Hz |

## Installation Notes

Install this product according to the installation guide.

Will comply with the American Disabilities Act (ADA) when installed per the requirements of the Accessibility Guidelines, Section 604 Water Closets, of the Act, which include the installation of an open front seat.

Section 604 states the required height of the toilet is 17" (43.2 cm) to 19" (48.3 cm) from the floor to the top of the seat to meet ADA requirements.
