Signature Features

LIGHT WEIGHT AND POWERFUL

- It's over 20% lighter¹ than conventional upright machines.
- Delivers strong suction with a powerful motor and a pick-up brush that adheres to floors.
- Quickly and effortlessly clean throughout the house.

¹Compared with Samsung VU7000 and VU4000. Based on internal testing.

CYCLONE FORCE DUAL

- The Cyclone Force Dual features two chambers that create a dual cyclonic airflow.
- By separating dust particles effectively, it prevents the filter from clogging to maintain powerful suction for a long time.

LIFT & CLEAN DETACHABLE POD

- Has a slim and detachable canister, Lift & Clean, which you can simply lift away from the brush to instantly make it much lighter and easier to move around when cleaning hard to reach areas.

ALLERGEN FILTRATION

- Captures over 99.99% of micro-dust and seals in allergens.²
- Certified allergy- and asthma-friendly by the Asthma and Allergy Foundation.
- Comes with easy-to-clean, washable sponge filter.

²Limited to allergens down to 0.5microns, AAFA Certified. Limited to dust particles down to 0.3microns, AAFA certified.
