Cleaner sample	1050486
Urinal ball sample	1156066
Optional accessories:	
3" outlet spud	18773

Installation Notes

Install this product according to the installation guide.

Roughing-in remains the same when using the optional 3" outlet spud.

NOTICE: For ADA compliance, measurement must be from the floor to the top of the internal lip.

Will comply with **ADA** when installed per Section 605 Urinals of the Act.

CAUTION: Risk of property damage. When connecting waterless urinals to the building drain waste vent system, do not use copper pipe or copper tube connectors. The use of a copper connector will result in corrosion of the connector and potential building structure damage caused by leakage.

Fixture conforms to ASME Standard A112.19.2/CSA B45.1. All dimensions are nominal.
