

Essential Indoor Camera 2K

2nd Generation

Protection on Demand. Privacy on Command.

Essential Indoor Camera provides enhanced smart home security with an Automated Privacy Shield to protect your privacy which you can control from the Arlo Secure App. Capture crystal-clear video in 2K resolution, view details and check in on your home, kids, and pets in low light with Night Vision, and ward off intruders with the Integrated Siren. Zoom in 12X to see details and receive notifications and watch live video on your phone when motion is detected. The Essential Indoor Camera connects directly to Wi-Fi and sets up in minutes via the app.

2K
