

Denali TruOrganics™ Wide Composite Decking

Like North America's highest mountain peak, nothing rivals the natural grandeur and dominion of Denali TruOrganics™ Composite Decking. Deep, brown planks, dark as tundra soil, invite you on the ultimate escape -- a space to recharge and catch your breath. Denali's pure grit and durability make it the ultimate in low maintenance decking, meaning you can kick back stress-free, and fully immerse yourself in your #DeckLife.

The Most Realistic Wood Decking Available

- **Low-Gloss Matte Surface** - Enabling more natural, modern designs
- **Next Generation Construction** - 3G core ensures higher tensile strength & resiliency
- **Full Wrap Shield** - A four-sided ProFormance360™ wrap guards against wear and tear
- **Ultra-Low Maintenance** - Weather & stain resistant with no painting, sealing, or sanding required
- **25-Year Residential Warranty** - Quality guaranteed
