DECLARACIONES DE PRECAUCIÓN

PRECAUCIÓN Riesgos para seres humanos y animales domésticos

- Causa irritación moderada en los ojos.
- Daño si lo traga, inhala o lo absorbe por la piel.
- Evitar contacto con los ojos, piel o ropa.
- Evitar respirar la nube del rocío.
- Lavar las manos cuidadosamente con agua y jabón luego de manipularlo y antes de comer, beber, masticar goma de mascar, usar tabaco o ir al baño.
- Quitar y lavar la ropa contaminada antes de volver a usar.
- Usar camisa manga larga, pantalones largos, zapatos y medias cuando aplicar este producto.

PRIMEROS AUXILIOS +

EN CASO DE CONTACTO CON LOS OJOS

- Mantener los ojos abiertos y enjuagar en forma lenta y suave con agua durante 15 a 20 minutos.
- Retirar los lentes de contacto, si los hubiera, después de los primeros 5 minutos, y luego continuar enjuagando los ojos.
- Llamar a un médico o a un centro de control de envenenamiento para consultas sobre el tratamiento.

EN CASO DE CONTACTO CON LA PIEL O LA ROPA

- Quitar la ropa contaminada.
- Enjuagar la piel de inmediato con abundante agua durante 15 a 20 minutos.
- Llamar a un médico o a un centro de control de envenenamiento para consultas sobre el tratamiento.

EN CASO DE INGESTIÓN

- Llamar inmediatamente a un médico o a un centro de control de envenenamiento para consultas sobre el tratamiento.
- Hacer que la persona beba tragos de agua, si puede tragar.
- No inducir el vómito a menos que lo indique el médico o el centro de control de envenenamiento.
- No administrar nada por boca a una persona inconsciente.

NOTA: Al llamar a un centro de control de envenenamiento, tener la etiqueta de este producto a mano. En caso de solicitar tratamiento en una sala de emergencia o consultorio médico, llevar la etiqueta de este producto para mostrársela al personal médico. **Para solicitar información médica de emergencia, llamar al número gratuito 877-229-3763.** Ingrediente activo: 0.8% triclopir, sal trietilamina (CAS No 57213-69-1).

NOTA: Las pruebas y las investigaciones han determinado que las "Indicaciones de Uso" son las adecuadas para el uso apropiado de este producto bajo las condiciones previstas. El Comprador asume la responsabilidad, en la medida en que esté de acuerdo con la ley vigente, por la falta de rendimiento o seguridad si el producto no es utilizado según las indicaciones de uso.

Garantía de devolución de dinero: Si usted no está satisfecho con este producto, gustosamente le reembolsaremos el monto original del precio de compra.

FOR OUTDOOR RESIDENTIAL USE ONLY

EPA Reg. No. 92564-8

EPA Est. No. indicated by 3rd and 4th digits of the batch number on this package.

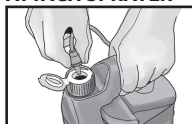

(75) = 5905-AR-01 (77) = 070989-MO-001 (39) = 58996-MO-1 (57) = 071106-GA-003

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

IMPORTANT: READ AND FOLLOW DIRECTIONS BEFORE USE

ATTACH SPRAYER

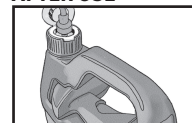

- Remove sprayer from bottle and extend hose.
- Open flip-cap on bottle.
- Insert hose and plug into flip-cap opening until it snaps into place.

SPRAY

- Adjust nozzle to stream or spray position.
- Point sprayer downward and squeeze trigger repeatedly until liquid is released.

AFTER USE

- Turn sprayer nozzle to X (off) position.
- Do not unplug hose.
- Return sprayer to bottle. Sprayer will snap into place.

BEFORE YOU USE Read and follow these directions when using:

- This product will kill or injure all woody plants contacted. Certain warm season grasses may experience temporary yellowing when sprayed to excess.
 - If a desirable plant (other than grass) is accidentally sprayed, immediately rinse with plenty of water.
 - Apply when wind is calm.
 - Keep people and pets off treated areas until spray has dried.
- Do not apply to or around fruits or vegetables used for food.
- Rain or water 4 hours after application will not wash away effectiveness.

HOW TO APPLY Shake well before use

- Adjust spray nozzle to give a coarse spray.
- Hold sprayer about 12 inches from weed.
- Spray the weeds you want to kill until thoroughly wet but not dripping. (continued)

 Precautions

DIRECTIONS FOR USE (cont'd)

HOW TO APPLY (cont'd)

TIPS:

- Use a sheet of cardboard or plastic to protect desirable plants from accidental contact with the product.
- **To Kill Vines**
For vines growing on desirable plants, cut the vine and spray the stump.
- **To Kill Poison Ivy or Poison Oak**
Contact with Poison Ivy or Poison Oak anytime of the year can cause an allergic reaction. Handle dead plants with rubber gloves. Dispose of plants and gloves in tightly sealed garbage bags.

REFILL

- Open refill port cap.
- Add 11.5 fl. oz. (23 TBS) of BioAdvanced® Science-Based Solutions Brush Killer Plus Concentrate to sprayer bottle.
- Fill sprayer with water to 1 gal. fill line, replace refill port cap, tighten and shake well.

FOR BEST RESULTS

- Apply when weeds are fully leafed out and actively growing.
- Certain listed hard-to-kill weeds may require a repeat application if regrowth occurs.

HOW IT WORKS

This selective systemic herbicide enters plants through their leaves, green or cut woody shoots, and roots then moves throughout the plant and interferes with processes found only in plants. Visual symptoms, such as wilting and yellowing, appear in 1 to 6 weeks.

Do not allow people or pets onto treated areas until spray has dried.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE

Store in original container in a cool, dry place, out of the reach of children, preferably a locked storage cabinet. Protect from freezing.

PESTICIDE DISPOSAL AND CONTAINER HANDLING

If Empty:

- Non-refillable container. Do not reuse or refill this container EXCEPT to refill with another product referenced on this label.
- Place empty container in trash or offer for recycling if available.

If Partly Filled:

- Call your local solid waste agency for disposal instructions.
- Never place unused product down any indoor or outdoor drain.

Important: Use all of the product in accordance with label directions. If it is necessary to dispose of unused product, please follow any applicable state or local guidelines.

ENVIRONMENTAL HAZARDS

- To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

SOLO PARA USO RESIDENCIAL EN EXTERIORES

N.º Reg. EPA 92564-8

N.º EPA Est. indicados con los 3.º y 4.º dígitos del número de lote en este paquete.

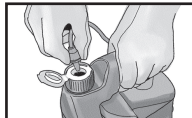

(75) = 5905-AR-01 (77) = 070989-MO-001 (39) = 58996-MO-1 (57) = 071106-GA-003

INDICACIONES DE USO

Es una violación de la Ley Federal utilizar este producto de manera contraria a la indicada en este etiqueta.

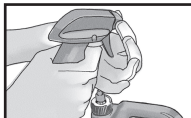

IMPORTANTE: LEER Y SEGUIR LAS INSTRUCCIONES ANTES DE USAR

CONECTAR EL ROCIADOR

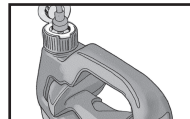

- Quite el rociador de la botella. Y extienda la manguera.
- Abra la tapa flip-cap en la botella.
- Inserte la manguera y enchufe en la apertura flip-cap hasta que enganche en su lugar.

ROCIAR

- Ajuste la boquilla en la posición de chorro o rociado.
- Coloque el rociador hacia abajo y apriete el gatillo varias veces hasta que salga el líquido.

DESPUÉS DE USAR

- Vuelva la boquilla del rociador a la posición X (cerrado).
- No desconecte la manguera.
- Coloque nuevamente el rociador en el recipiente, hasta que quede firme en su lugar.

ANTES DE USAR **Leer y seguir estas instrucciones cuando lo use:**

- Este producto mata o lesiona todas las plantas boscosas en contacto. Algunos céspedes de temporada cálida pueden experimentar un color amarillento cuando se lo rocía en exceso.
 - Si una planta preferida (que no sea césped) se rocía accidentalmente, enjuagar inmediatamente con mucha agua.
 - Aplicar cuando el viento está calmo.
 - Mantener a las personas y mascotas lejos de las áreas tratadas hasta que el rocío se haya secado.
- No aplicar en o alrededor de frutas o vegetales que se usan como alimento.
- La lluvia o regado 4 horas después de la aplicación no quitará su efectividad.
