

FRASER HILL FARM®

MOUNTAIN PINE SNOW COLLECTION

The Mountain Pine flocked artificial Christmas tree from Fraser Hill Farm features a natural A-line silhouette with extremely lifelike foliage and all-metal hinged branch construction. A heavily flocked finish was designed to resemble freshly fallen snow that is true to season and produces a natural effect. Fraser Hill Farm produces the most realistic trees on the market, featuring all the long-term benefits that come with owning an artificial tree.

The tree needles are constructed out of non-allergenic and flame-retardant materials. The details create the look of a natural tree and require no maintenance. Simply unfold out of storage, fluff and decorate. The unlit model provides a blank canvas for your cherished heirlooms and treasured homemade ornaments.
