

*VanZyverden's*  
WEIGELA STUNNER™ 4" POTTED ROCKETLINERS®

Rocketliners® are sized, shaped and rooted throughout the pot with strong and responsive roots. Gardeners can expect a finished healthy plant within a single growing season. They have greater fresh root mass and vertical root training which promotes faster finishing times. While it can often take up to 3 years for a shrub or vine to get fully established growing from bareroot, Rocketliners® may only take 12 months, saving you up to 2 seasons of waiting time. Rocketliners® are for gardeners that have busy lives, little time to waste and want to start out with the best planting stock.

cornerstone of landscapes*

***About This Variety:*** Stunner™ (Weigela x 'Spring 2' USPPAF) from Bloomin' Easy® is loaded with vibrant pink flowers against sleek, near- black foliage in sunny locations. This improved new variety is compact and easy to grow so you can spend your time relaxing and enjoying the view. Blooms heavily in spring and may rebloom 1-2 times throughout the season. A light trim will promote and enhance reblooming qualities. Dark foliage contrasts bright colors so make it the star of a decorative patio container or grouped in mixed beds in front of bright blooming medium sized varieties.

***Growing Instructions:*** Dig a hole two times the width of the Liner pot. Set top of root ball even with ground level. Combine planting mix and garden soil. Fill to ground level and tamp down firmly. Water to settle soil. Add layer of mulch to retain moisture and discourage weeds. Water regularly for the first year, then as needed once established. Feed with a quality fertilizer following application and frequency instructions, typically just before and during the bloom season.

***Care Tip:*** Trim after first bloom to encourage rebloom. Prune out any weak or damaged stems.

***Exposure:*** full sun

***Height:*** grows 36-48" tall

***Spacing:*** plant 36-48" apart, setting root ball even with ground level

***USDA Zones:*** hardy in USDA zones 4-8

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
