WARNING:

Protect yourself and others. Read and understand this label and the appropriate Material Safety Data Sheet (MSDS). Be sure that both the label and the MSDS are read by the welder (end user). FUMES AND GASES can be dangerous to your health. ARC RAYS can injure eyes and burn skin. ELECTRIC SHOCK can kill. Read and understand the manufacturer's instructions and your safety practices. Keep your head out of the fumes. Use enough ventilation and/or exhaust at the arc to keep fumes and gases from your breathing zone and below permissible exposure limits. Take special care when welding on coated metals, such as painted, galvanized, or plated parts. To avoid exposure to toxic fumes. Proper use of appropriate respirator is essential if ventilation is adequate. See references below: Wear correct eye, ear, and body protection. Do not touch live electrical parts. This product may contain detectable quantities of chemicals listed in applicable state regulations as causing cancer, birth defects, or other reproductive harm. Do Not Remove, Cover or Destroy This Warning.
