What is covered

The EZ Tankless Standard Limited Warranty covers any defects in materials or workmanship when the product is installed and operated according to EZ written installation instructions, subject to the terms within this Limited Warranty document. This Limited Warranty applies only to products that are installed correctly in the United States and Canada. Improper installation may void this Limited Warranty. EZ strongly recom-mends that this tankless water heater to be installed by a contractor who is licensed, state qualified, and trained on EZ's tankless products since improper installation may inval-idate warranty coverage. This Limited Warranty coverage, as set out in the table below, extends to the original purchaser and subsequent owners, only if the product remains at the site of the original installation; and the coverage terminates if the product is moved or reinstalled at a new location.

Limitation on warranties

During the Warranty Period, all repair parts must be genuine EZ parts; all repairs or replacements must be performed by a qualified professional who is professionally trained to do the type of repair. A component in the product fails because of a manufacturing defect, EZ will repair, replace, or refund the product to the owner at EZ's sole discretion and as determined to be appropriate by the EZ Support Team.

EZ does not authorize any person or company to assume for it any obligation or liabil-ity in connection with the replacement of the product. If EZ determines that repair of a product is not possible, EZ may replace the product with a comparable product at Mizudo's sole discretion. The warranty claim for product parts and labor may be denied if a component or product returned to EZ is found to be free of defects in material or workmanship; damaged by improper installation, use or operation; or damaged during return shipping.

No one is authorized to make any other warranties on behalf of EZ Corporation. Except as expressly provided herein, there are no other warranties, expressed or implied, including, but not limited to warranties of merchantability or fitness for a particular purpose, which extend beyond the description of the warranty herein. Any implied warran-ties of merchantability and fitness arising under state law are limited in duration to the period of coverage provided by this Limited Warranty, unless the period provided by state law is less. Some states do not allow limitations on how long an implied Limited Warranty lasts, so the above limitation may not apply to you. EZ shall not be liable for indirect, incidental, special, consequential, or other similar damages that may arise, including lost profits, damage to person or property, loss of use, inconvenience, or liability arising from improper installation, service, or use. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you.
